

# 17th Panel Discussion by Foreign Residents

## IT'S A LOSS IF YOU DON'T KNOW!

## WHAT HAPPENS IN YOUR OLD AGE IN JAPAN!

The number of foreigners who have been living in Japan for more than 30 years has increased. Foreigners aiming to live in Japan by acquiring permanent residence, naturalization, etc., have also increased. With this, comes the challenges of nursing care, pension, inheritance, etc. Let's discuss the problems faced by foreigners who been in Japan until their old age.
